

# Cauliflower prints!

## You will need:

- Cauliflower florets
- Paint
- Paintbrushes
- Paper

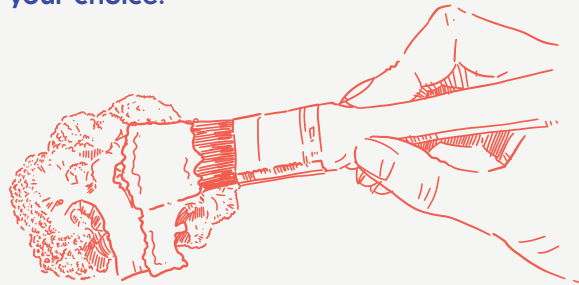

TAKES  
**30**  
MINUTES

## What to do:

**Step 1**  
Slice the cauliflower florets in half.

**Step 2**  
Paint the flat side of the florets with colours of your choice.

**Step 3**  
Print on to the paper to create fun patterns and designs.
